### Copyright

This website is protected under copyright law and is owned by luris-T. Any alteration, copy or reproduction of the same - totally or partially - without luris-T's express consent, constitutes a serious violation of intellectual property and legal action will be taken.

- **Images** : our website's photographs come from different «image banks » and are freely accessible to the general public.
- **Logos** : the eventual inclusion, on our website, of other companies' logos (clients or collaborators) will be the result of an express agreement with the respective owners.

### Links

luris-T provides links to third-party blogs and websites, and therefore it does not assume any liability should the information contained therein is out of date, incorrect or inaccurate. When visiting any third-party blog or website, the user should respect their instructions and rules.

### Personnel data protection

**luris-T** applies a personal data protection policy, in strict compliance with the regulations in force (in France, Law No. 78-17 of 6 January 1978, on data processing, data files and individual liberties, as amended).

When filling out and sending us the contact form, you expressly consent to provide certain data to **luris-T**, necessary to render the requested services. These data will be solely used with the purpose of carrying out the Company's own specific activity.

We guarantee that any such data will not be revealed nor transmitted to third parties.

In accordance with the above regulations, we inform you that you are granted the right to access, correct or delete data and to oppose data processing. To that end, you may use the following address: **info@iuristranslations.com**
